antarctic wildlife a visitor's guide james lowen

May 18th, 2020 - antarctic wildlife a visitor's guide a visitor's guide av james lowen häftad engelska 2011 04

Taking a cruise to Antarctica is definitely something that’s on my very lengthy list of things to do. A wildlife guide, especially one written by James Lowen, should be a must-read for anyone planning an expedition to this remarkable part of the world.

Lowen’s book is a handy-sized photographic field guide that aims to help visitors to this part of the world. It covers everything from penguins and seals to whales and polar bears. The book is packed with beautiful photographs and detailed descriptions of the different species you might encounter.

Lowen’s writing is clear and concise, and his knowledge of Antarctica is evident throughout the book. He provides fascinating insights into the wildlife of the region and the challenges faced by the animals that live there.

Overall, Antarctic Wildlife: A Visitor’s Guide is a must-read for anyone planning a trip to Antarctica. Whether you’re a seasoned traveler or a first-time explorer, this book will provide you with the knowledge and inspiration you need to make the most of your visit.
things that i'd like to do someday if and when that happens i am certainly bringing along james lowen's 'antarctic wildlife a visitors guide.'
