The black Jews of Africa: History, Religion, Identity

Edith Bruder

Oxford University Press, 2008

This book presents one by one the different groups of black Jews in Western, Central, Eastern, and Southern Africa and the ways in which they have used and imagined their oral history and traditional customs to construct a distinct Jewish identity.

The last several decades have seen the emergence of a remarkable phenomenon: a Jewish rebirth that is occurring throughout Africa. A variety of different ethnic groups proclaim that they are returning to long-forgotten Jewish roots and African clans trace their lineage to the lost tribes of Israel. Africans have encountered Jewish myths and traditions in multiple forms and various ways.
