
Women and Sharia law have changed according to the form of government ruling the country and attitudes towards women's rights to freedom and self-determination have changed frequently with the rise of each government. A series of mandates for women's rights have affected a broad range of issues from voting rights to dress codes.

Sharia and the European Union: Democracy. May 7th, 2020 - The FRA identifies a number of key issues of concern but neither its the European Union as a community of values safeguarding fundamental rights in time of crisis nor highlights 2013 contains any discussion of the question of Sharia in Europe whether in terms of evading the rule of law, discrimination against women or violence.

Muslim women's rights how the Sharia law of Islam affects
June 6th, 2020 - Among these the Sharia law has had its influence on women. The law of Islam is called the Sharia law. It is selected from Muhammad's words, which is called Hadith, and his actions called Sunnah and their holy book the Quran. Muslim women's rights have been immensely affected by the Sharia law, which is essentially changeless but of course, their different interpretations called Fiqh, which have relatively more freedom.
