Carriage of Goods by Sea in the UK

Carriage of goods by sea is governed by two laws: the Carriage by Road Act 2007 and the Railways Act 1890. According to the Carriage by Road Act, a carrier can either be an individual person or an organization which carries out the trade of transportation over the land or inland waterways.

Carriage of Goods in General

The Carriage of Goods Convention was signed in Warsaw in 1929. It was intended to unify specific rules relating to international carriage of goods by air. The convention covers all international carriage of persons' luggage or goods performed by aircraft where consideration has been paid. It talks of carriage for a 'reward.'

Carriage of Goods by Sea

The Carriage of Goods by Sea Act 1992 came into force on 16 September 1992. It introduced a different scheme of liability disconnected from the passing of property and related to the endorsement of the bill of lading or otherwise.

Sale of Goods

Goods form the subject of a contract of sale. They mean every kind of movable property other than actionable claims and money and include stock and shares, growing crops, grass, and things attached to or forming part of the land which are agreed to be severed before sale or under the contract of sale.
