'117 times people miraculously avoided the biggest disasters
May 28th, 2020 - I work in lumber and had a customer shift a pile of 4 x 4 x 12 s that my hand was next to. One came tumbling down right on to my fingers. I heard a snap and thought my finger had lost the will to remain unbroken. Turns out my tungsten carbide ring caught the full force. Broke but didn’t bend and potentially saved me a really chewed up finger.'

'What I learned the day a dying whale spared my life Paul
June 1st, 2020 - The two dying whales struggled to hold on to life between the harpoon boat and the six of us in three boats sitting motionless on the swells. I couldn’t take my eyes off the dying whale closest.'
